PROGRAM DESCRIPTION & CLIENTS SERVED 2010

TREATMENT FOSTER CARE program finds foster homes for abused and neglected children, and also trains and licenses foster parents. Because of the trauma these children have suffered, they have a high level of medical, emotional or behavioral needs. Children in Treatment Foster Care range in age from newborn to 19 years old. MHYH Treatment Foster Care program focuses on the best interest of the child.

Clients served in 2010: 69

WRAPAROUND CARE, is for children with serious emotional and mental health needs and the families who care for them. Wraparound is a planning process that follows a series of steps to help children and their families realize their hopes and dreams. It is a planning process that brings a team of chosen people together to blend their perspectives of the family's situation.

Clients served in 2010 120

LISSY'S PLACE serves young women between the ages of 17.5 and 29 who have transient and unsupportive backgrounds. Many are released from foster care at age lacking adequate life skills or a support network. Lissy's Place, our haven for homeless women, is the source of many success stories. Each story is as unique as the individual woman.
